Description

Check out this stunning 2023(73) Skoda Enyaq iV80 Suite 82 kWh 204PS finished in the gorgeous Race Blue metallic paint with the 19" alloy wheels. Now available from our Colne dealership, this wonderful example with just one owner and low mileage offers an impressive driving experience, offering a maximum WLTP range of 339 miles on a full charge. This particular model comes loaded with desirable features, including the Clever Package, which adds heated front

seats, tri-zone climate control, a heated steering wheel with recuperation paddles, adaptive radar-guided cruise control, blind spot detection, and rear sunblinds—perfect for keeping the kids comfortable. Charging is effortless thanks to the iV Universal Charging Cable with an industrial connector (32A / 230V), allowing you to charge from a standard three-pin socket if needed, alongside the included Mode 3 charging cable for the faster electric charging points. Step inside, and you'll be greeted by a premium cabin featuring a 13" satellite navigation system, wireless Apple CarPlay & Android Auto, and the LED interior ambient light pack with multiple color options. Parking is a breeze with the rear parking camera, plus front & rear sensors. ULEZ Compliant. Part Exchanges welcome. As a family-owned business with over 80 years of experience, the Simpson family has looked after the motoring needs of Lancashire since 1944. We are driven by customer satisfaction and all our cars are carefully prepared to our own and Skoda's exacting approved standards, both mechanically and cosmetically, additionally with a minimum of 12 months warranty, 12 months breakdown roadside assistance and minimum 6 months MOT. We are driven by customer satisfaction and all our cars are carefully prepared to our own and Skoda's exacting approved standards. Please contact our team at Simpsons Skoda Colne for more information, to book your test drive or to request a live personalised walk-around video presentation of the vehicle.
